

COMPLAINTS HANDLING PROCEDURE

Website Version

We value your feedback. So, if you have a complaint, a compliment or even a suggestion, let us know by following the procedure below.

What is Feedback?

Feedback is any sort of comment you'd like to make about our service. It includes complaints (negative feedback), compliments (positive feedback), or suggestions for improvement.

What is a Complaint?

A complaint is feedback you give us when you are unhappy with an aspect of our service.

What is a Suggestion?

We would like to hear your thoughts on how we might be able to improve our services.

How to make a complaint or provide other feedback

Contact us and simply explain the situation or issue. Also let us know what kind of outcome you would like.

How can you contact us?

There are many ways you can contact us to make a complaint or provide feedback:

- Call us on 4932 5755 and speak to our friendly Customer Service Team.

Help with making complaints

At Maitland Community Care Services (MCCS), we view feedback as a positive opportunity to improve the quality of our services and to strengthen relationships with our clients. However, when making a complaint, we understand some people may feel uncomfortable with this process. We want to make this a positive experience for our clients.

You can nominate the person you wish to speak to at MCCS. It could be your support worker, or someone you have dealt with previously in the organisation.

You can choose a support person to assist you with your complaint or feedback. This person can be a friend, family member, staff member or an advocate from another organisation.

We will support you to make a choice of how, when and where the complaint will be made, and you have the option to remain anonymous.

What happens next?

MCCS is committed to resolving complaints in an ethical, confidential, timely, transparent and fair way. We will do our best to rectify the problem and provide the best possible outcome for you.

How long will it take?

Most complaints can be addressed immediately. But for more complex issues we may need to conduct an investigation. The target for finalising complaints is 30 days from day of receipt. We will be in contact with you throughout the resolution process.

Confidentiality

Complaints are treated confidentially. Only the people who need to help find a resolution will be involved.

What if I'm not happy with the outcome?

MCCS would always prefer to resolve your complaint directly, but you are also able to make a complaint to any of the following external agencies below:
